

Narcotics: Problems and Solutions of This Global Issue

Narcotics: Problems and Solutions of This Global Issue – Final Statement

Workshop, 23-24 November 2016

Extra Series 43

Vatican City 2017

pp. 72

Drugs have inflicted a deep wound on our society and ensnared many people in their web. Many victims have lost their freedom and have been enslaved to them; enslaved by an addiction we could call “chemical”. This is undoubtedly a “new form of slavery” alongside several others that afflict individuals and society in general today. (Pope Francis)
